Prepare For Unrealistic and Unpredictable Price Expectations
What If Your Home Is Unprepared Or Incompatible?
The Majority of Survey Respondents Believe Solar Adds Value to A Home
Solar Can Attract Potential Buyers
Americans' Interest in Helping Protect The Environment
While you shouldn't plan to add solar panels simply to attract buyers if you're planning on moving and selling your home (because you will need to have them for long enough to see the payoff for this to be beneficial), if you already have them, it can absolutely be an additional selling point. According to survey results, 66% of Americans agree tha...
