Cuba, country of the West Indies, the largest island of the archipelago, and one of the more-influential states of the Caribbean region. A multicultural, largely urban nation, it has been ruled ...

President Donald Trump says the United States is talking with Cuba and raised the possibility of a "friendly takeover" of the island without explaining what that means.

U.S. President Donald Trump on Friday raised the prospect of a "friendly takeover" of Cuba, telling reporters at the White House that Secretary of State Marco Rubio was dealing with the ...

Through military action in Venezuela and threats of tariffs on Mexico, the Trump administration has shut off the flow of oil to Cuba, attempting to strong-arm the communist-run island ...

The Trump administration is signaling a different approach, after demanding an end to Cuba's communist leadership.

With an area of more than 44,000 square miles (114,447 sq. km.), Cuba is the largest island in the West Indies, accounting for more than one-half of the total Caribbean land mass. The ...
