Sukhumi or Sokhumi is a city in a wide bay on the Black Sea's eastern coast. It is both the capital and largest city of Abkhazia, a partially recognized state that most countries consider a part of Georgia. The city has been controlled by Abkhazia since the Abkhazian war in 1992-93. The city, which has an airport, is a port, major rail junction and a holiday resort because of its beaches, sanatoriums, mineral-water spas and se...

For many communities, this marks their first-ever access to mobile connectivity. ? Built for Remote Realities: These solar-powered sites use satellite backhaul and can be installed without ...
