Wondering if any-one has any experience with the Kings 120amp lithium battery. I've had some battery problems and needed to replace my Projecta charger and batteries so I thought i'd give ...

Option 1 is a self built battery box that contains a Kings 120Ah + the Kings 25A DCDC. It sits in the tray, and even without solar, it's managed to keep my Engel 38 litre fridge going for the ...

I'm comparing King's and Redarc 12V systems for my Patrol. While Redarc is known for high quality at a higher cost, I'm curious about the performance of King's 12V products.

Decided to stop working when we arrived for camp last week. I've tried jumpstarting it with my king's jump starter. I've also tried to wake it with my Kickass charger as in the videos. You ...
