Introducing the LONGi Hi-MO 4 Mono PERC 445W-455W panels, a benchmark in solar energy efficiency and reliability. These advanced photovoltaic modules ...

LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products.

Long solar panels 450W series are business-ready, half-cut mono modules that deliver strong energy yield in a compact, single-glass format. They come ...

The company is located in Hefei City, Anhui Province, which is one of the main production bases of the photovoltaic industry in the world. We are world ...

Nominal Max. Power (Pmax)

LONGi's high-efficiency modules have been deployed around the globe in just about every application possible across a wide range of climate conditions, including grasslands, farmlands, deserts, ...

TS62941: Guideline for module design qualification and type approval OHSAS 18001: 2007 Occupational Health and Safety technical changes and tests. LONGI Solar reserves the right to change specifications without notice.

Longi - 455 Watt - Monofacial \$ 377.00 FEATURES: Positive power tolerance (0~ +5W) High module conversion efficiency Slower power degradation enabled ...

The Longi Solar Panels Hi-MO X6 Max Explorer Series LR7-54HTH (455-465M) is a high-performance monofacial solar panel designed for large-scale on-grid ...

The Longi 455W Solar Panel (HR4-72HPH) delivers superior performance and durability for various

# Longi monocrystalline photovoltaic panel 455

projects. Its 9-busbar half-cell design and advanced M6 Gallium-doped wafer ensure optimized ...
