Forum discussion: I have had a lot of problems with the WBR-2310 after upgrading the firmware to 1.03. It reboots at various times and that is upsetting. Other posts about D-link are ones I ...

Forum discussion: Is Qwest doing FTTH? I recently moved to a place where I have FTTH and have no modem, router to play with anymore. : ( All my pc's plug directly into the wall cat5. Im upto ADSL ...

Forum discussion: I have had dsl for several years without any problems. Since last few weeks, my wireless network does not seem to work. I have tried 3 different routers and the result is the ...

Forum discussion: I'm on my 2nd Askey Wave 2 Router since starting service on 9/26/18. The web interface 192.168.1.1 works fine for a couple of days and then gives a & quote;refused to ...

Forum discussion: I have had speed issues at my home for a while now. A year ago I noticed problems with my cable internet speeds while using Roadrunner Cable also through Central FL Brighthouse ...

Forum discussion: For some reason, my Arris TM3402A has an excessive amount of uncorrectables. Tried calling, typical answer: change modem. Tried chat, still no one capable of ...

Forum discussion: Is anyone else having problems sending email to comcast email addresses. Approx. 1 week ago we could no longer send to anyone with comcast email address. I have ...

Forum discussion: I've had Gigablast fiber to my home for over 2 years in north Phoenix. One of those & quote;grandfathered& quote; with no cap. So used to the high speed in each direction ...

Forum discussion: My Arris TM1602 keeps losing internet connectivity intermittently and/or rebooting itself (I own the modem). It's never down for long but it's annoying. Logs are below. ...

## Problems with lithium batteries for household energy storage

Forum discussion: This is really weird. Comcasts speeds were suppose to have increased. My upload speed is suppose to be 4 megabits down. When I run a speed test it comes ...
