Building A New Structure
Cost of Installation
Space Requirements
Maintenance Fees
The initial cost for a solar company to install a solar carport can range from anywhere between \$18,000 to \$25,000. A non-solar carport is much cheaper at somewhere between \$4000 to \$10,000 pending on how much you pay in electricity bills, however, you may easily overcome the cost difference in a matter of two or three years.
